**Note (1):** Received your email of October 31 (Re: Quick Thought) and I will discuss it with Sheikh Bakr. Will provide a joint opinion soon.

**Note: (2):** Received your email of October 31 (Re: Omar Kader....). Will discuss the subject with Sheikh Yahia and advise of the result.

Unfortunately I will be in Europe on work assignments. I really hate not be here for Omar, but I will make sure he is taken care of.
